“ *Just saw this and so saddened for more reasons than one. Knew Randy all my life. Remember when he worked at Mesics Grocery growing up. He was my secret admirer and sent me a cameo necklace and earrings in the mail. I still have them. Ironically did not know that he was employed at the VA hospital and was more than likely there when my father and brother were patients in hospice. Rest well Randy and thank you for a lovely memory that I carried with me always*

“ *Randall was a great guy. Every time we would deliver fudge for the unit, he would be so happy to take it. I will remember his smiles and caring attitude.*

*I only ever talked to Randy on the phone. He called me for work orders. He was always nice and respectful. Will miss his happy voice.*

“ *I will always remember Randy for his dry sense of humor. We would kid each other about being members of the class of 1971.* ”
