“ I had the pleasure to work with Randy for the past nine years. There wasn't a day that had gone by that he didn't grin and strike up small talk. Randy will be dearly missed in Hollywood. He was one of the sweetest men I know, he would truly do anything for anyone. Prayers and love to the Strobel Family.

“ Have had the pleasure of living next door to Randy and Carla for the past 16 years. He was such a great person to just chat with about most anything. Will miss meeting him half way down the yard to just say Hi, having an occasional drink by the fire pit, or calling him to let Daisy out! If either of us needed anything we would just ask each other. You will be missed very much by many. Thank you for the memories and time! Rest in Peace Randy!!

“ I watched a Randy escort an elderly woman down the escalator at Hollywood. Her husband had started down without her and she was not brave enough to step on alone. Randy happened to be standing there and offered to ride down with her. I don't think he knew it was seen by anyone.

“ I had the pleasure of working with Randy. The first time we spoke, I told him my grandfathdr calls me Randy for short. So he jokingly said he could call me Randy then. I said sure. Every time after that, when I would see him he would say "Hey Randy!". I would reply "Hiya Randy". He was such a sweet guy. Always so kind and would ask about my daughter and how she was doing. Sending love and warm hugs to his family.

“ Randy was a special friend who became family along with his wife Carla. Randy and Larry first met when they worked at Carlos Loeffler. Randy's compassion and generosity was exceptional. He was always willing to help even before being asked. There are so many memories. One of our favorite was on a wine tasting weekend to the Finger Lakes. After several tastings Randy and Larry were feeling happy to say the least. At one of the larger wineries a tour bus pulled into the parking lot. Randy and Larry ran over to the bus ,went on board and proceeded to do an improv comedy routine which the people on board thought was part of the tour. Carla and I laughed so hard waiting for the guys to finish so we could make a hasty exit. During the hardest moments of our lives Randy and Carla were always there giving us hope encouragement but most of all their love. There are no words to express how much his passing has meant to us. We love you Randy and we will see you again. God bless your family.

“ So many memories of my Dad. Impossible to pick a favorite. A recent one was a couple of years ago on a trip to the Finger Lakes. Dad was driving us around Lake Seneca and we somehow got to reminiscing about old music from when I was a kid. Mom, Dad, and I started singing all these obscure songs and laughing so hard. My husband just laughed and shook his head. Dad always made things fun with his playful sense of humor. He could keep a straight face when joking but you could see a twinkle in his eye that let you know he wasn't serious. I know I'll see that twinkle again some day. Love you Daddy.

I had the honor and pleasure of working with Randy in South Lebanon Township as a Special Police Officer, and then as a fellow Parishioner at St. Gertrude's. He was a great guy to work with but an awesome guy to chat and share a few memories and laughs. Rest In Peace, Randy and I offer my prayers of comfort and sympathy to Carla and all of Randy's family and friends. Until we meet again...

I first met Randy in Elco and from there working at Leffler's. He and I were both holding on to a bull rope holding back a boiler we were trying to lower thru the celler steps that broke halfway down. We sure sucked a lot of soot together there. Then he followed Larry and me out to Hollywood to share his words of wit. He will be missed.
