“ Jean, sorry to hear about Dick. Dick and I spent a lot of time together working on the house and farm. He taught me more about building then I would have ever learned on my own. I was very fortunate he was part of my life. The memories will out last the sorrow I feel.Regards, Randy Schutter

“ As the youngest child I remember as a kid going to Suburban Window & Door and sneaking candy from marguerites desk drawer. Our family made lots of great friends there like Sonny, Bobby Kuhns, Floyd, Danny and my two uncles even worked there. Our middle sister worked the hardest at The Shop (as we called it) building the business right along side our Father.
