“ *So sad such a wonderful man has passed.. he was kind and would do anything for anyone! Years ago he took me to see Jimmy Buffet which was so much fun. Sadly we lost touch... I'm sure he is playing hockey in heaven*

“ We at Kapp Advertising were so sad to hear about Rich's passing. Rich's hardy laugh and infectious smile will forever be a part of those he interacted with at work. To Rene and Rick, know that Rich was much loved for his enjoyable personality, and his bright thinking and funny humor wasn't wasted on those who worked with him. May the good memories of Rich's time with us be a comfort to you during this time. And to you, Rich: #flyeaglesfly

“ Rick and I were co-workers and friends many years ago. Though we eventually went separate directions in life, every memory of him brings me a smile. We did lots of things together outside of work, always with lots of laughs. He had such a big heart and a quick wit, I never knew what he was going to do next to make me laugh. I know he will be missed by so many, and I will treasure the memories him and I made together long ago. My deepest sympathy to his family.

“ I got to know richard through Hershey bears games! Always loved seeing the colorful ways they would celebrate going to games. Hawaiian luau nights ,dressing up in costumes, heckling the other team... great memories of such a special person! I cut his hair for almost 25 years and every time I saw him he put a smile on my face with his quick wit! I'm sure gonna miss talking to him. I know though that heaven gain a very special person! They are lucky to have him. I'm sure hes up there cracking people up with his antics. Definitely gonna miss him...My heart goes out to his family. Many thoughts and prayers to you all!

“ My wife and I knew Rick Jr. from growing up around 9th and Mifflin Streets in Lebanon and first meeting his father who was a police officer.

Later I then I also got into the Lebanon Police Department and worked with his father so I got to know him a lot more.

Pat and I are so very sorry for for the loss of such a great person and son.

I know one thing if they didn't play Jimmy Buffett music in Heaven before they're playing it now...

“ *Rich was a coworker, friend, confidant, and a very sweet and funny guy. Although we lost touch over the past few years, I could always count on a Merry Christmas or Happy New Year text from him wishing me well. My memories of him are many and will make me smile always. Rest In Peace my friend.*

“ *Remembering all the good times we had in Florida. Rich was always there to give a compliment and make me smile. I never got to make him liver and onions with my cooked icing. He promised he would eat it if I made it. My memories are many and will always put a smile on my face*

Brian and I knew Rich since they were in middle school along with Ed Martel. Rich had quite the quick wit and sense of humor. He had a witty response to every comment. We also admired his singing and guitar playing talent. He brightened every occasion. His light was extinguished way too soon.
