“ *Growing up with Bob in Marticville, I found him to be a hard-working honest person. He was kind and gentle, and he always seemed to have a positive outlook on life. These were DNA traits handed down from his father..*

*Bob never had a patronizing arrogance, or a phony smile, or a wooden demeanor. He was genuine all the way. Honesty, humility, humor would define his life.*

*It was an honor to know and be associated with Bob Bortzfield.*
