“ *Family of Robert Carter,*
I only just learned of Bob's passing. I worked with him many years ago at the VA Medical Center and Outpatient Clinic in Harrisburg. I was also his neighbor across the street on Oak Knoll Circle since 2004. Because of his health problems and mine, we rarely visited but it was always a joy to talk with him. We shared an interest in model railroading and I regret having never seen the layout that he was so proud of.

Please accept my heartfelt condolences.

“ Dear Carter Family, I was very sorry to have just heard of the passing of your father. I met Bob when I worked with Joan at the LDN. Bob had a marvelous smile and was just the nicest person you would ever want to meet. I had spoke with him last summer at a local Medical Center. He did look very well and after I explained who I was he did remember me. Know that as you will miss him, others will miss him as well. I am glad that I knew him if only through Joan.
