“ I am so sad to hear that Bobby had passed. He was very well loved by my kids and me. He would always play games with my kids and he would always catch them trying to cheat. Could never pull one over on him. I will miss the many talks we had. He would always go to market to get his doughnuts. I am so sorry Ms Ellie. Was always so found of you and ur husband. Love Pam from Red Rose

Maybe if it be ok I could go visit him and I hear him in my head saying Heck yeah when he was excited. I just told my kids and they said sorry for your loss.
