“ We will miss Bob/Willy our neighbor...He was always tinkering around, watching over the property, always lending a hand with tools to fix things if he could.

One thing I know as his neighbor all these years he that he loved his family. He enjoyed sitting outside in the sun and watching the passer-bys...always said hello, and always had something to share...rest in peace now, prayers of comfort and healing for the family...So sorry for your loss.. take care and cherish the good memories...much love , neighbor Lisa

To the family of Bob Willauer:

I was sad to read about the death of your dad/grandpa this week. His passing ends the family line with their parents and the three brothers now deceased. I was married to Bob's brother, Jim, when we dealt with the death of his brother Larry. His death was also sudden. He was only 53. I met Bob and Janet on a couple of occasions. They helped clean out Larry's home after his death. Unfortunately Jim didn't see him very often. Jim passed away last February after a stroke. Praying for comfort for your family as you say goodbye to your dad/grandpa.
