“ *To Ron's family and loved ones, so sorry for your loss in the passing of Ron. We had been neighbors for 28 years and we all are going to feel a great void in our lives. Am going to miss our backyard chats as Ron drove down the lane. His desire to help out with whatever he could will be missed. Our family's thoughts and prayers are with you all at this time. Sincerely, the Oberholtzer family.*

“ My boyfriend Brian Campbell and Ronnie were best friends. They both loved the outdoors, animals, the river, and sharing conversations. Ronnie was a good person and would often drill Brian on the names of trees. He is going to be missed by so many. Brian is lost and it will take awhile for him to get back to normal. he has lots of good memories and while thinking of these memories he will look up to Heaven and Smile.
We love you Ronnie!
Your friends,
Brian and Kathy

“ *Bob:*
Was saddened to learn of your brother Ron's passing. Even though it has been 50+ years since we were all in high school, I remember the two of you well. May you find peace in knowing that he is in a better place now and no longer suffering. May God bless you as you grieve the loss of your brother.
