“ I always enjoyed coming to visit. Your Mom was a very special person to me. When we all gathered by Uncle John's, bed side in Chattanooga and sang hymnals..I looked around and saw Aunt Rose Singing....She sang like an Angel and now she is watching us. Our Family lived in England when the King James 1611 Bible was translated. Thank you Aunt Rose for making History come alive. Hebrews 12 Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus ,the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is now set down at the right hand of the throne of God. Life is short. Soon, we will all be witnesses. The best is yet to come. With love, Timmy She always called me Timmy.
