“ *Mrs. Stoudt would always be so cheerful every time I saw her outside. She loved our three dogs and gave them treats every time she saw them. A few years back she gave us some awesome fudge for Christmas. I did not know her that well, but I wish that I could have gotten to know her better. She seemed like a very pleasant person to be around.*

“ I will miss Aunt Ruth very much. I have pleasant memories of her. I will always remember when she, Debbie and Karen would come to my mom's house and we would exchange Christmas gifts. I have never forgotten one of the gifts she gave to me when I was a little girl. It was a brush, comb and mirror set. It was blue and had flowers on it. We would have a great time talking and laughing. I will always remember her smile. I know that my mom will miss her very much. She looked forward to talking with her on the phone every Thursday. I know that she has many memories with Ruth and will hold them close to her heart. Take care and please keep in touch.
