“ I'm missing you terribly already! The way you joked around with us, your smile! You always made us feel loved without having to say a word. Rest peacefully grandpa, until we meet again.

“ Dad, me, Mike and Steve will miss you terribly. We are proud to be able to be the only people in the world that God chose to have you as a father and I am doubly blessed to have been your one and only little girl. I thank you for the things you taught me without even realizing you were doing so and I thank you for your unconditional love of me no matter what. I miss you terribly already but know there is a day which I will see you once again. You are irreplaceable and I love you so much you could not possibly imagine. I know you are in a much better place and no longer feeling pain. As much as we miss you down here, I know God is so happy to have you as one of his angels.  
Love you Dad. See you later.
