“ *Saunny and I have been friends for many years. Dave wanted me to watch out for her. But that was a big chore. We went to the mountains several times. The best time was when I called her and said let's go to the camp she said when I said now. Well that was one of the best times we had up there. She had a big heart. She was just waiting to be with Dave and she got her wish.*

Will always remember Charlotte
