“ I was shocked and saddened when I heard of Cheryl's passing. I was President of FOP Lodge #26 and retired from policing in 2003 and have been running the Police Academy in Beaver County ever since. When I retired from policing Cheryl and Mike Lutz drove from their homes to Aliquippa to attend my retirement dinner and to give me an award from the State Lodge. I have the picture on my office wall from the FOP Law Enforcement Journal with Cheryl and Mike presenting me with the award. I also over the years got to spent time with Cheryl at various meeting and events over the years and when I would have to come to the Harrisburg/Hershey area I would call her and we would meet and have dinner and catch up. It's been a few years since we saw each other but I will miss her friendship. She always spoke of hunting with her dad and how much she missed having to leave the streets after her unfortunate incident. She truly is one person who will be missed by law ebforcement. God Bless and she will not be forgotten.

“ Words cannot express how sad I am to just hear this news. Many times over the last few years we have tried to see each other but it never worked out. We were so close in 4-H and as my best friend she was my maid of honor in my wedding. We shared so many wonderful times back then. I will keep her in my heart forever as she always will be my best friend. Peace be with you Mr. & Mrs. Pierce. I am sure she is riding horses with Jeanne in Heaven. Angels always beside us.

“ Sheryl and I met through the Anne Anstine program. I was heartbroken to hear of her passing.

We shared a lot of good times as we traveled around PA for the Anne Anstine program and to DC. We roomed together when we could and stayed up late talking. And, she joined me in New York for the convention.

She was a good friend and a true inspiration. From what I knew, she really lived life to the fullest during the time she was here with us.

My prayers are with her family.
