I am starting a new grief share class on August 31 at Pequea church if you or anyone in your family would be interested. Also, I have a very good book on losing a spouse if and when you are ready I would be glad to bring you one. If you need anything Peggy I am here for you, just give me a call. #284-2603. “ It is with shock and sadness that we say goodbye to Steve. He was always so conscientious and neighborly as he passed by on his motorcycle and when we passed him on our walks. He truly enjoyed his children and grandchildren visiting him and enjoying his pond. He took such care and pride in his home and family. We will miss him greatly. Our road will never be the same! Hi. My name is Tim Burkhart. I've worked in Steve's dept. at RRD for years. We never worked together but share a love for motorcycling. I'll miss our quick conversations or his smile and a wave as he walked by my press. My prayers for his family as you all carry on without him in this life. Praying you have the comfort of God to carry you through this hard time of grieving and loss.

“ Steve was a great guy and neighbor. He could be seen riding his motorcycle past our house in ALL kinds of weather - snow, sleet, rain - nothing stopped him! We will miss you. Donna & Dave Hoar
