“ Steve was raised on the street where we live and we have known him since childhood. He was always a quiet man and a good neighbor. We send our sincerest sympathy to his sister Cathy. They were very close and had that awesome bond that only siblings can have. She wasn't able to see him recently but we know he knew she loved him and prayed for him..RIP Steve..

"Awesome bond"... Too bad no one recognized or cared to understand that his biological family didn't assist one iota in his needs or care. Yet they got all the "I'm sorry" platitudes. Sometimes, as it was in this case, a partner is more significant than a blood relative.

We have missed Steve since He was moved away. He would often walk, with his old hat & walking stick & camera. He would stop for coffee, or mint tea on r porch. Several times he had a big yellow cat on his shoulder. We asked if He was walking His cat :) What a wonderful man, friend & person He was. Abe & Diane
