“ *Kenn, Aaron, and Jeremy - so sorry for your loss. I know you'll miss Susan very much. I remember as a kid when we would go to Aunt Mary's and Susan was single, and we would visit. Then when she got married and how happy we were when Aaron and then Jeremy came along. When you guys would come to our house for picnics and I loved babies and holding and playing with you two when you were small. So glad that you three made Susan's life for her. We're praying that our God will give you His Comfort as only He can. We're praying for you all.*

To Susan's brothers and sisters, and families - We shared alot of good times when we were younger! Don't see much of anyone since we're all spread out with families of our own but cousin memories are special and I wanted you to know I'm thinking of you all at this time. Praying that God will comfort you all in your loss.
