“ *Sue was such big help to our Medical Auxiliary when she was still working at the former GSH. She always was ready to help us with a smile and came in after hours to help with our Medical Career Scholarship program. We could never thank her enough for all she did for our group and helping new physicians to the hospital. Such good memories of Sue-may she Rest in Peace with our Lord.*

“ Sue was a beautiful soul who I loved deeply. The love continues as she remains in my heart and always will do. Sue was my sister -in-law but I thought of her as a sister and close friend. We shared the same birthday, too. Whenever we got together conversation flowed easily and I felt welcomed and relaxed with Sue. She was kind, generous and thoughtful always. Her smile and humor drew one in. Sue had a smile that lit up her eyes. I cherish her and am grateful to have known her. It was a privilege. Anna

“ When thinking of Sue, or Miss Sue as she was often known, I think first of how much she meant as the wife of my brother Mark and the connections made from their union. For one it meant that all of his shirts were no longer blue. It meant through her we gained a wonderful new family, our Lebanon County family(or as locals would say "Lepnin"). Because of the loving, caring and generous person she was a visit did not feel like a visit but more like being at our "second home". She was the consummate "mum" and to know her was to love her. It was poetic justice that her address was #1. Her passing by no means ends the relationship but merely alters it. We will love and cherish her forever. Love, Tom

“ Wish I could have been back in Penna to hug my old buddy. The summers we would get away from our parents & have fun on the boardwalk in Wildwood. The fun we had participating in Color guard at Henry Houck. We shared going to our Rainbow Girl meetings but would sometimes slip into a movie instead. The days I spent at her home when I was in Pa. She always saved time to make sure she would take me to a Cleona for my scrapple. We shared the bad times & the wonderful years. My PA. buddy who I loved. I will always have our memories.
