“ Our dear Linda. Nina and I were so saddened to learn of Tom's passing and I feel so badly personally that I didn't get up there to see you guys. After our move somehow I got off of Caring Bride and so JUST learned of Tom's death. What a fighter and what a good man he was leaving us with many good memoires! One such memory was in 1087 when Tom nudged me to begin a Customer Council for our Asia/Pacific Region. Although somewhat reluctant initially, it didn't take long for Tom's salesmanship and energy to move me off "dear center"! It was a GREAT idea and after 30 years understand still being pursued in Asia as it was good for not only our customers but for us serving those customers! Tom' persistence then and steadfast energies done good!But,of curse, always his Faith and love for you Linda and for Tamara and Jeff were constants and I felt blessed to have worked with and benefitted greatly from Tom's ,any attributes! Most sincerely, our condolences,;love and prayers, Lina! Dwight and Nina

“ I enjoyed my friendship with Fred throughout high school, particularly when we were in music activities and stage plays. Fred was always a friendly and positive guy. He was a natural leader and his becoming class president was the best thing for our class after graduation. His lead in ensuring that reunions occurred every five years and in the establishment of the class website kept the relationships of the class members alive throughout all these years. I want to extend my deepest condolences to Linda and the rest of his family. He will be deeply missed...

“ I remember Tom or Huddish as we at Mt Kemble called him. A genuine and kind man who made a newbie to AT&T from London feel less homesick. A true gentleman and a joy to know. My prayers and thoughts to his family and wife at this sad time.

“ I am so sorry to hear about Tom's passing. He was a good man and I thoroughly enjoyed working with him in AT&T. I had an opportunity to work with him supporting our customer's and sales teams in the Asia Pacific Region from January 1995 through January of 1998. I will always remember working with him fondly, he was smart, knowledgeable, a gentlemen and an informal mentor. I also want to send my condolences to Linda, a very special lady, who I had the pleasure to meeting during that time. Tom will truly be missed.Regards,John Hayes
