“ I came to meet and know Wayne while he lived at the group home on RT-897. I will always remember that first meeting when he took me to his room to show me all of his Monkey things. He was always a happy guy giving away smiles to everyone. I'll see you again one day.

“ Delores, Randall, and Randy, I was so sad to hear that Wayne passed away. I know that words can not express the emotions the three of you are experiencing. Just remember Wayne as he was. Remember his big smile and willingness to always give hugs when they were needed. We were all blessed to have Wayne in our lives. Please let me know if there is anything I can do. My deepest sympathies, Faye
