“ *My husband and I have been talking about Bill recently. He did an amazing job on our property, not only building beautiful kitchen cabinets for us but also helping to restore our old farm house 27 years ago. Bill had a wonderful talent and a generous personality. He will be missed but his memory lives on in all the lives he has touched and the gift of his talents in woodworking. Thank you Bill for making our Owl Bridge Farm home the show case it is today.*
